American Flag program was reported on by **Kim Tenreiro** as coming along with great marketing tools as business cards, door hangers etc. See **Kim** for all your needs!

Fines: **President Mike Schiller** paid a fine for his Virginia vacation.

Bob Palumbo was glad to be back after he had a problem with a set of stairs that cost him some R&R time off from work. Even though he has not seen Doug Lowden while he was laid up, Doug still enjoys going out even though he doesn't have a car. (Hint, Hint.)

Kim Tenreiro also paid a fine to get "his hat out of hock" since it got left behind somewhere. (Would it have been from the last 1st Friday?)

Scott Kesel was very glad for the great performance at Fort Hill Performing Arts (FHPA) last weekend. FHPA has also agreed to help local non-profits on billing for their tickets. Check with **Scott**!

Gloria Dancause Returned from Florida very, very happy.

April Inductions:

Tracey Dello Striho was inducted and sponsored by Ellen Polimeni. **Tracey** was raised in Gorham, has 2 boys 3 & 7 years. She and her husband like to take the boys to the library and the local parks or a family restaurant. She has worked for corporate in the wine industry, but more recently enjoys working at non-profits. Most recently she has been working for the Partnership for Ontario County.

Sean Buck was also inducted and was sponsored by **Kent Gilges**. Sean is a multi-generation resident of Canandaigua, attended RIT and has worked in Rochester but very glad to be back home in Canandaigua. He is on the Events Committee at Sonnenberg Gardens, the Kershaw Cleanup Committee. For fun Sean rides and drives horses, teaches Latin Dancing, and plays a hot (according to Ken Poole) harmonica.

Program: **Adeline Rudolph** introduced the AFS exchange student Prae Chantawan Pitchayapu from Bangkok, Thailand, where the weather is Summer, Winter and rainy, not a Fall. She appreciates the Canandaigua Lake and its cleanliness for drinking water and beauty. She likes volleyball since there are NO sports in her home school. Here at CA, school is lots of fun and has gotten lost in our big building. At her home school the teachers move from class to class not the students. She has visited Florida, Boston, New York City but prefers Canandaigua. She has a younger brother that wants to become an exchange student; her father is a businessman, while her mother takes care of her brother. She fell in love with bacon within the first 2 weeks here.

Ed O'Connor took out the Queen of Diamonds when he went for the elusive Joker, worth about \$300+ now.

Jack Kellogg was ecstatic when his ticket was drawn for the \$18 cash, as now he can afford the gas for the ride home!

Woops! New inductee **Sean Buck's** nametag was for Sue Buck, actually his mother's name. **Sean** said "He didn't know his mother had a 'Boy Named Sue!'" We certainly learn all sorts of things at Rotary!

Respectfully, Jackk
