Today's Program: Club Changeover

Next Week: July 4th Parade – No formal meeting – come and walk!

Meeting notes from June 20, 2024

Pledge: President Nancy Stelnyk

Guests: Sue Cirencione, Town of Canandaigua – Adeline Rudolph's guest. Jeff, Melissa, and Charles Maneval – guests of Ellen Polimeni.

Alan Lockwood – guest of Russ Kenyon, Robert Marks, Delaney Glaze – all from Boylan Code, LLC.

Visiting Rotarians: Linda Werts and Doug Doeblor – both Newark Rotary

Welcome back to Margie LaTourette and Bill Hallett – both returning after knee surgery.

Remembrance: Bob Palumbo recovering from extensive shoulder surgery.

Gareth was able to encourage a student to attend RYLA at the end of the month – Dominic Falbo – incoming Student Council President.

President Nancy presented Bill Hallett with his Paul Harris +2.

Jodi Kaufman made a very nice presentation to Judi Gorenflo as part of her Called to Care Canandaigua volunteering. Judi has brought and mentored 11 refugees from Haiti, and many of the children call her Mom Judi. At one point, she and Doug had a family of 5 living with them for 6 weeks while they found adequate housing for them. She shows us what being a Rotarian is all about! As a result of her work, Rotary made a donation of \$250.00 to Called to Care, and Jodi Kaufman matched it. Nice job!

Ellen Polimeni introduced Charles Maneval, a graduating senior. He has a GPA of 99.8 and will be attending RIT in Mechanical Engineering. He has been active in Interact, Key Club, National Honor Society, Student Government, Golf, and Bowling. And in between all that, he has been running his own landscaping business since he was in 7th grade! He has 15-25 accounts, which he does weekly maintenance for, depending on the weather.

Ellen then presented him with Rotary's Student of the Year Award, along with a Dream Chaser Compass

Induction: Boylan Code, LLC. was inducted as our very first corporate member today, with Russ

Kenyon being the Primary, and Robert Marks and Delaney Glaze coming in as Associate Members. What this means is that only Russ can vote on club issues or join the board. The associate members would have to join the club as individuals to have those privileges. Russ gave us a little history of Kenyon and Kenyon. Nancy Stelnyk has known Bill Kenyon since 1958 when they were in band together! Alan Lockwood then added the timeline of Boylan Code, which began on April 1, 1974, and has grown to include Kenyon and Kenyon beginning in 2022. They are very happy to be in Canandaigua and involved in the community.

Happy \$\$/Fines: Marty Potter fined herself for leaving Clark Kurtz out of the thankyou's for last week.

President Nancy is happy she only has one more meeting!

Dave Hutchings is happy to have a daughter-in-law thanks to Ryan's marriage.

Doug Merrill is happy that Bob Palumbo's shoulder surgery went well, and proceeded to explain that it was a reverse ball and socket replacement – very new and radical! Bob was in great spirits and on meds!

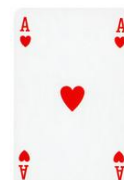

Ken Poole is gearing up for our July 4th participation in the parade. The band is ready, and we are looking for choristers to sing America the Beautiful. Be in the County Parking lot at 9 am (Corner of Pleasant and Ontario Streets).

Scott Kesel brought garlic scapes to share.

Gloria Dancause is getting new hearing aids – what?!

Gareth mentioned that Habitat for Humanity will be framing a house in the Pal-Mac area on Saturday, June 22. All are welcome!

The 50/50 won Ellen Polimeni \$20.00 cash which she gave to student Charles, and Kim Tenreiro drew the Ace of Hearts.

STAY COOL AND DRINK LOTS OF WATER!
